

Simon Mezzland QC ? Tuesday.

30/3/17 NNU

TC 14 Michael Gregory - not Robert Cornwall.

"appropriate authority" ?

TC no immediate concerns re safety  
 major concern is for families and effects on them  
 Sunday Times is an example of what could  
 happen.

RCPC + CRIS reviews - no single cause but  
 clinicians remain unconvinced that excluded  
 unnatural causes

Informed intention to consult police next week

If something broke Richard Bowler phoned Robert  
 Cornwall.
